(info copy forwarded)

1. Following up the referenced memorandum above, I have received, and am transmitting to you herewith, a reply from the Office of the Comptroller regarding the nine delinquent training reports you mentioned to me.

2. I note that considerable difference of opinion exists regarding the identity of trainees and times of training between the list you sent me and the reply Mr. [REDACTED] dictated. If this indicates the necessity for closer liaison concerning courses actually taken after they have been approved, we will be glad to do anything possible here to further such improved follow up.
